Materials Only: We aim to complete estimates within five working days (see note).

Standard Service: We aim to complete estimates within five working days (see note).

Standard 48: We guarantee to complete estimates on the second working day following receipt of order.

Next Day 24: We guarantee to complete estimates on the next working day following receipt of order.

Same Day 6: We guarantee to complete estimates by 17:00 (5pm) on the day of receipt of order.

* Estimates include associated works only.

Note: The **Standard Service** is available to anyone who is not approved to use our trade only services. We aim to complete estimates within five working days. At peak times the return time may be longer. Your completed estimate will be delivered in PDF format by email.

Trade only services: To access these services trade customers must have an up to date profile. To check your profile status please login to your account. Alternatively, if you use our upload facility, you may be prompted to update your profile to gain access. When your estimate is complete you will receive an email or text notification that the job is available to download from our website.

Builders merchants: To access our trade only services individual branches must be approved by our field support team prior to use. We offer industry-leading branch training and support free of charge. For more information contact Joe Milkins on 0161 286 8601

Payment options: Customers pay for the service at the point of order. We accept most credit cards and bank transfers using BACS. Alternatively you can access our services if you have a trading account with any of our "approved builders merchant outlets". Please visit the website for more information.

Full terms & conditions are available on our website please visit: www.estimators-online.com
